Corrective Actions/Progress in Addressing Sexual Abuse

- I. Three year mandatory audit completed 06/12/2020 (found in compliance)
- II. Continually training all staff and AICs on the PREA standards.
- III. Our staffing plan is being modified adding a mid-shift deputy, this allows two deputies on the floor increasing the safety and security of the facility. This also eliminates the relief help uncertified position. All corrections positions will be certified through DPSST.
