

Request for Quotes:

The Grant County Regional Airport is requesting quotes for the cost of terminal repairs. The basic summary of the requested services and specifications are as follows:

- Exterior painting.
- Exterior staining on beams.
- Interior wall settling and crack repair.
- Interior water damage repair.
- *All work and invoicing must be completed prior to September 30, 2019.*

Cost. We ask that financial terms are included, specifically the amount of any required deposit, payment options, and other fees related to the project.

Pre-work site conditions. Please include any specifications for the airport terminal work area(s) to be completed prior to arrival of the contractor.

Please contact the airport for more information.

Quotes must be submitted to the address below by 4pm, Friday, September 6th, 2019.

Thank you for the time and effort it takes to provide the requested quote.

72000 Airport Road John Day, OR 97845
